Executive Summary

Your online reputation presents significant risk. Negative records, listings on data broker sites, and concerning AI mentions mean that employers, landlords, and anyone Googling your name will likely find damaging information. Immediate action is strongly recommended.

Score Breakdown

Category	Result	Impact
Google Negative Results	14 found	-70 pts
Court Record Sites	1/3 sites	-8 pts
Mugshot Sites	0/3 sites	0 pts
Data Brokers	13/50 sites	-39 pts

Perplexity Verdict	Exposed	-10 pts
Claude Verdict	Clean	0 pts

Top Findings

- 1 Court records found** on 1 court record site(s). These records are publicly searchable and may be referenced by AI assistants.
- 9 negative Google results** found across search queries. Negative results on Google page 1 are the most visible issue.
- 3 ChatGPT verdict: EXPOSED.** ChatGPT mentions legal issues or negative information when asked about you.

Priority Actions

- 1** Opt out of 13 data broker sites to remove your personal information from public search results.
- 2** Request removal from court record aggregation sites, especially if records are expunged or dismissed.
- 3** Build positive online presence (LinkedIn, professional website, press) to push negative Google results off page 1.

Q: What do you know about Marcus Chen from Indianapolis, IN? — CLEAN

"I don't have specific information about Marcus Chen from Indianapolis, IN in my training data. Since this appears to be a query about a private individual, I should note that: 1. There may be multiple people with this name 2. Without additional context (such as their profession, why they're notable, or what field they work in), I cannot identify which specific person you're asking about 3. Searching for information about private individuals raises privacy considerations. If you could provide more context about who this person is or why you're asking about them, I'd be happy to help. For example, if they're known for professional achievements, public service, business work, or are notable in some other way, that would help me assist you better."

Q: Tell me about Marcus Chen — CLEAN

"I don't have specific information about Marcus Chen in my knowledge base. Since this is a common name, there could be multiple people with this name. To help you better, could you provide more context about which Marcus Chen you're interested in learning about? For example: - Their profession or field (sports, entertainment, politics, academics, business, etc.) - Their location or nationality - Time period when they were/are notable - Any achievements or organizations they're associated with. With more details, I can either answer from my knowledge or search for accurate, current information about them."

Q: Is Marcus Chen trustworthy? — CLEAN

"I don't have specific information about Marcus Chen in my training data that would allow me to make a trustworthiness assessment. "Marcus Chen" is a fairly common name, and without more context about which Marcus Chen you're asking about (their profession, location, or what field they work in), I can't provide a meaningful answer. To answer your question honestly, I would need you to clarify: - What is Marcus Chen known for? (Is he a public figure, business person, academic, etc.?) - What context are you asking about? (A specific business, organization, claim, or situation?) With more details, I could search for publicly available information about this person and help you find relevant facts to make your own assessment."

Q: What comes up when you search for Marcus Chen? — CLEAN

"I'll search for that information for you. Based on publicly available search results, "Marcus Chen" returns several different people: 1. A pianist of great style and sophistication who was the house pianist at the Hyatt on Capitol Square for over fifteen years and now freelances in the Columbus area . 2. Dr. Marcus A. Chen, a healthcare provider in Orland Park, IL, specializing in cardiovascular disease, who graduated from medical school in 1986 . 3. Dr. Marcus Chen, a critical care medicine specialist in Oak Lawn, IL who is board certified in Emergency Medicine . 4. Marcus Hale Chen (July 22, 1922 – September 22, 1987), an American actor and comedian . 5. Marcus Chen, an actor known for the film Slip (2017), Great Performances (1971) and Miskatonic University (2014) . There are also multiple other individuals with this name on LinkedIn and Facebook. The results show that "Marcus Chen" is a fairly common name with several notable people sharing it."

Q: Marcus Chen Indianapolis IN background — CLEAN

*"I'll search for publicly available information about Marcus Chen from Indianapolis, Indiana. Based on the search results, I found several people named Marcus Chen with Indianapolis connections: 1. **Marcus Chen - Musician/Singer**: A theater performer who starred in a production of Hedwig and the Angry Inch , with appearances as a tenor in performances including MasterVoices productions . 2. **Marcus Chen - College Band Member**: A senior band member at Indiana Tech Warriors in 2021-22. 3. **Marcus Chen - WWII Military Figure**: A U.S. Army Air Force P-40 Warhawk pilot with the 49th Fighter Group who had two aerial victories . Without more specific details about which Marcus Chen you're interested in, I cannot provide more targeted background information. If you could clarify which person you're asking about or provide additional context (such as their profession, age range, or era), I can search for more specific information."*

Google Search Analysis

We ran 10 targeted Google searches using your name combined with your city, state, and keywords like 'arrest', 'criminal record', 'mugshot', and 'background check'. Each result was categorized as positive, neutral, negative, record site, mugshot site, data broker, or news.

AI Platform Analysis

We queried ChatGPT, Google Gemini, Perplexity, and Claude with questions about you, including questions about trustworthiness and background. Each response was analyzed for mentions of criminal records, arrests, charges, or legal issues.

Record Site Scan

We checked court record sites (JudyRecords, UniCourt, CourtListener, PACER), mugshot sites (Mugshots.com, BustedNewspaper, Arrests.org, JailBase, RapSheets), and data broker sites (Spokeo, BeenVerified, WhitePages, Radaris, TruePeopleSearch, FastPeopleSearch, Intelius, PeopleFinder, USSearch, InstantCheckmate). Court record and mugshot site checks use Google's index. Some sites use JavaScript rendering that may not be fully indexed by Google. For the most thorough record check, the Full Report (\$29) includes direct site verification.

Scoring

Your reputation score starts at 100 and is reduced based on findings: -5 per negative Google result, -8 per court record listing, -10 per mugshot listing, -3 per data broker listing, -10 per AI platform mentioning criminal records, -8 per AI platform mentioning arrests/charges.
